

**Got a doubt?? Don't worry !**

**Note : Due to heavy response and the volume of questions, there may be a delay in answering to every student.. please be patient**

**Also, please don't ask questions like what is my rank and where can I get a seat because the website is designed to answer those questions without any human intervention. Because of these type of questions, the real questions are skipping out of priority**

Our experts are here to help you in getting all your doubts and confusions that arise before and after the examination. Just post your question below in the Comments Section and somebody will be helping you out with your problem.

**Before posting a query, please read the following :**

- You must understand that the time of the person who is answering your queries is very valuable. Do please don't waste his time by asking vague questions.
- You can also reply to others' questions if you are confident about the answer. But please make sure that the statements that you are giving out are of 100% accuracy.
- Please give respect towards others. Abusive language is not accepted here. If somebody is found to be abusive, the site Administrators will ban him from using this site forever.
